

HACK ATHON

YOU'RE BEING SUMMONED

Hackaton Access Pass

Lidia Istrate

This is your official pass for the Dev Hackathon, organized (Sunday) 12 October 2017, including your unique identification credentials: unique ID number.

Remember the Online Hackathon starts at 09:00. Make sure you are online at that time on Slack (see below) and Google Hangouts.

Here's a brief rundown on how you should prepare for the event.
Make sure you've got all the following points covered:

Lidia Istrate
CA15DD

- **A whole free day** (the event will last between 9 am to 7 pm so don't make any plans during this period);
- **Please make sure to test (audio and video) your Google Hangouts account from the location you will be participating prior to the day of the event. It is mandatory to verify that the connection and chat works up to your expectations.;**
- **Hackathon Access Pass available to read it** (THIS document);
- **Personal laptop or PC connected** (remember to also bring its power chord and any other accessories you require to work: mouse, ventilation pad etc);
- **Inspiration** (as much of it as you can conjure up)
- **The programming language** you registered with installed on your laptop (*for those taking the challenges for the Ruby on Rails, iOS & Front-end tracks*);

You will receive an invite to Join a Slack community, specially created for this event. It is mandatory to be online in the day of the event on this Slack community and on Google Hangouts.

Let's make the most of an event which concentrates inspired & inspiring people!
May the force be with you!
